How "easy" is easy?

I email you an order sheet with the information you need to collect your orders. Once your campaign is over, email the form and I'll fulfill the order. Depending on location, I can either deliver myself or shipment will have to be arranged. Shipment cost can vary and is not included. Bags sell for \$15 and you keep 40% of each bag for your fundraiser.

Fundraise with a fluffy & delicious mix that is locally made

Working with Every Last Crumb to raise funds has never been easier. With unique, mouth watering flavours and an easy "Just Add Water" method. Everyone will want to join in to help your cause and to get their hands on these delicious mixes.
